

At the time this divisional application was filed, five inventors, Oosuka, Kawano, Wakabayashi, Ishikawa, and Inayoshi were deleted because those inventors' invention was not being claimed in the divisional application. After the application was filed, it was discovered that inventor Kato's invention was not being claimed in the divisional application either and Mr. Kato's name should have been deleted at the time this application was filed. Accordingly, this amendment is made so that only inventors having an invention claimed in this case are named in this application.

Pursuant to 37 CFR 1.8(b) this amendment is accompanied by 1) a petition including a statement identifying named inventor who is being deleted and that the inventor's invention is no longer claimed in the application; and 2) the fee set forth in 37 CFR 1.17(h) \$130.00. Should that fee be missing or insufficient, please charge the undersigned deposit account No. 14-1140 under Order No. 2018-326.

Respectfully submitted,

NIXON & VANDERHYE P.C.
